

2.2 Information Security [L.11, L.29.2.2, J.14]

MetTel's approach to completing the security plan and certification and security authorization is included in Attachment 1, Risk Management Framework Plan. The Plan also addresses how we ensure the delivery of system security for the EIS services as specified in Section C.1.8.7.

MetTel's plan to address system security as specified in Section C.2.8.4.5 is included in Attachment 2, MTIPS Risk Management Framework Plan.
