

NOTICE CONCERNING ALL TERMS AND CONDITIONS and RATES

Page 1
Original

Metropolitan Telecommunications, Inc., of Maine d/b/a MetTel

The State of Maine Public Utilities Commission (MPUC) requires that each telephone utility's Terms and Conditions comply with and not conflict with requirements of Maine Statutes (primarily in Title 35-A) and MPUC rules. Any provision in these Terms and Conditions or rate schedules that conflicts with a Maine statute or MPUC rule, unless otherwise exempted, is inapplicable and will not be enforceable. The following rules apply to telephone utilities and contain provisions that affect matters that commonly appear in telephone utility Terms and Conditions:

Chapter 204 - Basic-Service Calling Areas

Chapter 214 – Exemption of Telephone Utilities from Certain Filing and Approval Requirements

Chapter 230 - Installation, Maintenance and Ownership of Customer Premises Wire

D

Chapter 280 - Provision of Competitive Telecommunications Services

Chapter 291 - Standards for Billing, Credit and Collection, and Customer Information for NonEligible Telecommunications Carriers

Chapter 292 - Chapter 292, Standards for Billing, Credit and Collection, and Customer Information For Interexchange Carriers

D

Chapter 296 - Selection of Primary Interexchange and Local Exchange Carriers

Chapter 870 - Late Payment Charges, Interest Rates to Be Paid on Customer Deposits, and Charges for Returned Check Fees

In addition, the following provisions (the first two of which are required by statute) are part of this utility's Terms and Conditions:

1. FOR INTEREXCHANGE SERVICE:

Discount for Hearing-Impaired Customers. Upon customer request, the Company will

Effective Date: March 1, 2014

Docket No.: 2007-234

Notice Concerning All Terms and Conditions and Rates (continued)

automatically apply a 70% reduction for intrastate toll calls made from line used by certified deaf, hard-of-hearing or speech-impaired persons who must rely on teletypewriters for residential telephone communications, and others as provided in 35-A M.R.S.A. §7302. To qualify for an automatic reduction, the customer must submit an affidavit to the Company on a form approved by the Maine Public Utilities Commission, stating that due to one of the aforementioned conditions, the customer or a member of the household must rely on a teletypewriter for telephone communications, and that the equipment is connected or acoustically coupled to his telephone. Upon request, customers making calls to certified persons are eligible for a 70% rate reduction for relevant billed calls made during each billing period.

2. FOR LOCAL EXCHANGE SERVICE:

Enhanced Universal Emergency Number Service - E911 - Surcharge. An Enhanced Universal Emergency Number Service (E911) surcharge, as provided in 25 M.R.S.A. § 2927(1-A), applies per month to each residence and business access line, including PBX trunks, Centrex access lines, semipublic coin lines, and public access lines, in addition to the monthly rates for these lines specified elsewhere in these schedules. The surcharge shall not be imposed upon more than 25 lines per customer billing account.

3. FOR BOTH LOCAL AND INTEREXCHANGE SERVICES:

A surcharge for the Maine Universal Service Fund (MUSF) applies to all intrastate services billed to a retail customer. The surcharge shall not apply to surcharges such as those for Enhanced 911, the Maine Telecommunications Education Access Fund, or similar funds. The surcharge shall be equal to the Revenue Percentage established quarterly by the Administrator of the MUSF.

Effective Date: March 1, 2014

Docket No.: 2007-234

Title: Chief Marketing Officer & SVP

Notice Concerning All Terms and Conditions and Rates (continued)

4. FOR BOTH LOCAL AND INTEREXCHANGE SERVICES:

A surcharge for the Maine Telecommunications Education Access Fund (MTEAF) applies to all intrastate services billed to a retail customer. The surcharge shall not apply to surcharges such as those for Enhanced 911, the Maine Universal Service Fund, or similar funds. The surcharge shall be equal to the percentage of revenues established by the Maine Public Utilities Commission pursuant to Chapter 285, § 2(B) of the Commission's Rules.

5. FOR BOTH LOCAL AND INTEREXCHANGE SERVICES:

Any provisions in these Terms and Conditions that limit liability or damages do not apply to the extent they conflict with 11 M.R.S.A. §2-316(5) of the Maine Revised Statutes, Exclusion or Modification of Warranties.

6. FOR BOTH LOCAL AND INTEREXCHANGE SERVICES:

Chapter 214: EXEMPTION OF TELEPHONE UTILITIES FROM CERTAIN FILING AND APPROVAL REQUIREMENTS

SUMMARY: This rule exempts certain telephone utilities, with respect to certain services, from the filing requirements of Title 35-A M.R.S.A. §§ 304, 307, and 310 and establishes conditions under which the Commission may grant additional exemptions.

Telephone Utilities that are not ILECs. Unless otherwise revoked pursuant to Section 5 - Revocation of Exemptions, all telephone utilities that are not ILECs are granted detariffed status with respect to all retail services they provide, in all geographic areas they serve. This subsection is applicable to telephone utilities that are affiliates of ILECs, provided the affiliate is not an ILEC itself.

Filing Requirements. If a telephone utility has obtained detariffed status with respect to some or all of its services, in some or all of the geographic locations it serves, it is exempt from the filing requirements of 35-A M.R.S.A. §§ 304 and 307 for those services, in those locations, and it shall not file tariffs for those services, in those locations, with the Commission.

This utility agrees that it is responsible for complying with all applicable rules of the Maine Public Utilities Commission and with the Maine Revised Statutes. It understands that if it applies or enforces any provision of these Terms and Conditions that is in conflict with a rule of the Maine Public Utilities Commission, or the Maine Revised Statutes, the rule or statute will govern; and the utility may be subject to action by the Consumer Assistance Division of the Maine Public Utilities Commission or an investigation by the Commission pursuant to 35-A M.R.S.A. §1303.

Terms and Conditions

Definitions

1. "Access Line" is an arrangement from a local exchange telephone company or other common carrier, using either dedicated or switched access, which connects a Customer's location to the Carriers location or switching center.
2. "Carrier" or "Company" refers to Metropolitan Telecommunications of Maine, Inc., d/b/a MetTel.
3. "Completed call" is a call which the Company's network has determined has been answered by a person, answering machine, fax machine, computer modem device, or other mechanical answering device.
4. "Customer" is the person, firm, corporation or other legal entity which orders the services of the Company and is responsible for the payment of charges and for compliance with the Company's tariff regulations.
5. "Dedicated Access" is when the Customer gains entry to the Company's services by a direct path from the Customer's location to the company's point of presence.
6. "Residential customer" is a customer who has telephone service at a dwelling and the service is used primarily for domestic or social purposes. All other customers are non-residential customers.
7. "Service" is any telecommunications service(s) provided by the carrier under these schedules.
8. "Station" is a telephone instrument consisting of a connected transmitter, receiver, and associated apparatus to permit sending or receiving telephone messages.
9. "Switched Access" is when the Customer gains entry to the Company's services by a transmission line that is switched through the local exchange carrier to reach the Company's point of presence.
10. "Time period" when used throughout this tariff to mean the interval of hours that distinguish day, evening, night, and weekend and holiday rate periods.
 - (a) Time Period - 9 AM to 9 PM, Monday – Friday. Rate - Peak
 - (b) Time Period – 9 PM to 9 AM Monday – Friday, Weekends, Holidays. Rate - Off Peak.

For the purposes of this tariff recognized holidays are New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.

Title: Chief Marketing Officer & SVP

Terms and Conditions

General Description of Services Offered

1. These Terms and Conditions and Rate Schedules govern Company services originating and terminating at points within Maine. Specific services and rates are described in the Rate Schedules.
2. The Company's intrastate service territory consists of the entire state of Maine. Company services are available 24 hours per day, 7 days a week.
3. Company services are available for both residential and non- residential customers.

Calculation of Rates

1. Rates for service are based on airline mileage between rate centers of the calling and called stations. The location of Rate Centers is based on information provided by Bell Operating Companies. Mileage is calculated using the Vertical and Horizontal (V&H) coordinate system from the National Exchange Carriers Association Tariff F.C.C. No. 4.
2. The chargeable time of a call is timed and measured by the underlying carrier. Timing of calls begins when the call is answered at the called station. Different rates may apply depending on the time of day or day of week the call is made. Calls originating in one time period and terminating in another time period will be billed according to the rates in effect during each portion of the call.

Effective Date: March 1, 2014

Docket No.: 2007-234

Terms and Conditions

Credit, Collection, and Dispute Resolution Procedures

1. Residential Customers: Application for service, billing, payment, deposit, disconnection, dispute resolution and other credit and collection procedures for residential customers are governed by Chapters 291 and 292 of the Maine Public Utilities Commission's Rules.
2. Nonresidential Customers: Application for service, billing, payment, deposit, disconnection, dispute resolution and other credit and collection procedures for nonresidential customers are governed by Chapters 291 and 292 of the Maine Public Utilities Commission's Rules.
3. The Company **does not charge a fee** to establish service.
4. For billing purposes, service is established on the date the customer's local exchange carrier switches the customer's service to the reselling Company's network.
5. The Company bills charges monthly in arrears. For billing purposes, a month consists of thirty (30) days.
6. The Company **charges \$26 to Residential customers and \$41 to Business customers** to restore service that was disconnected for nonpayment of bills, violation of the Terms and Conditions, or fraudulent use of the Company's services.
7. All state and local taxes (i.e., sales tax) are listed as separate line items and are not included in the rates quoted in the Rate Schedules.
8. As provided in Chapter 870 of the Maine Public Utilities Commission's Rules, the Company charges \$5.00 per account to which the check is applied or the amount of the bank charges the company, not to exceed \$15.00 for each check returned for nonpayment by a bank. If the company charges more than \$5.00, the company shall furnish the customer with proof of the bank charge.

Terms and Conditions

Credit, Collection, and Dispute Resolution Procedures (Continued)

9. All customer bills are due and payable when presented. The bill becomes past due no less than 30 days after postmarked. Once a bill is past due, the carrier may proceed with collection activities per Chapter 291 or 292, and a late payment shall be charged on the undisputed past due amount, calculated at the maximum monthly rate specified in Chapter 870 as updated in November of each year by the Commission's Director of Finance.
10. Customer complaints are handled by a full service customer service department. Customers may call **1-877-638-8351** from 9 a.m. to 5 p.m., Monday through Friday, or submit a written complaint to:

**Metropolitan Telecommunications inc.
55 Wall Street
Floor 32
New York, New York 10041**

If the customer is not satisfied with the Company's response, the customer may contact the Consumer Assistance Division, Maine Public Utilities Commission, 18 State House Station, 242 State Street, Augusta, ME 04333-0018. Telephone: 800-452-4699 or 207-287-3831. Facsimile: 207-287-1039.

Terms and Conditions

Interruption of Service/Liability

1. The Company will attempt to provide continuous and uninterrupted service. When the Company schedules a service interruption for maintenance or repairs, the Company will notify customers of the cause and expected duration of the interruption at least 24 hours in advance, when possible.
2. The Company's liability for damages arising out of mistakes, interruptions, omission, delays, errors, or defects in the transmission occurring in furnishing service or in Company facilities, and not caused by the negligence of its employees or agents, will not exceed the amount that the Company would have charged the customer for service for the period the aforementioned faults occur.
3. Upon customer request, the Company will credit a customer's account for service interruptions which are not due to the Company's testing or adjusting, negligence of the customer, or to the failure of channels or equipment provided by the customer. Before requesting a credit, the customer will take reasonable steps to verify that the trouble could not have been prevented by the customer and is not in the customer's wiring or equipment. For purposes of computing a credit for leased facilities, a month consists of 720 hours. The Company will credit the customer's account at the rate of 1/720th of the monthly charge for the facilities affected for each full hour of the interruption.
4. The Company is protected against customer claims for libel, slander, or copyright infringement arising from the material, data, information, or other content transmitted using Company services. The Company is protected against all other claims arising from any act or omission of the customer while using Company services.
5. Any provisions that limit liability or damages do not apply to the extent they conflict with Maine Statute, 11 M.R.S.A. 2-316(5), Exclusion or Modification of Warranties.

Business, monthly	\$8.55	(l)
Residence, monthly	8.00	(l)

Call Trace - Customer Originated Trace allows customers to key in a code that alerts the network to trace the last call received. The traced telephone number is automatically sent to Company for storage for a limited amount of time and is retrievable by legally constituted authorities upon proper request by them. By contacting Company the customer can use this application to combat nuisance calls.

Business, per activation	\$4.00	
Residence, per activation	4.00	(l)

RATE SCHEDULES

11. Features continued

***69 Call Return** -This feature allows the Customer to place a call to the telephone number of the calling party should the call be unanswered or unknown by dialing a code to activate this feature.

Business Unlimited, monthly	\$4.05	(I)
Residence Unlimited, monthly	4.50	(I)
Per Use, Business and Residence	1.00	(I)

***66 Repeat Dialing** - The Automatic Redial feature allows a customer to automatically redial the last number dialed. This is accomplished by the customer activating a code. The network periodically tests the busy/free status of the called line for up to 30 minutes until both lines are found free and then redials the call for the customer.

Business Unlimited, monthly	\$4.05	(I)
Residence Unlimited, monthly	4.50	(I)
Per Use, Business and Residence	1.00	(I)

Unlimited Call Return & Repeat Dialing - (See description above)

Business, monthly	\$4.28	(I)
Residence Unlimited, monthly	7.00	(I)
Activation Cap, at 11, Business Only Monthly	11.00	

Automatic Redial - The Automatic Redial feature also allows customers, having reached a busy number, to dial a code before hanging up. Automatic Redial feature then continues to try the busy number for up to 30 minutes until it becomes free. Once the busy line is free the call is automatically redialed and the customer is notified of the connected call via a distinctive ring.

Business, monthly	\$4.05
Residence, monthly	4.50

RATE SCHEDULES

11. Features continued

Distinctive Ringing - (1 add'l number) This feature enables a user to determine the source of an incoming call from a distinctive ring. The user is provided with up to two additional telephone numbers.

Business, monthly	\$8.10	(l)
Residence, monthly	5.00	(l)

Distinctive Ringing - (2 add'l numbers) Distinctive Ring is a feature which allows a customer to have up to three separate telephone numbers assigned to one local exchange line.

Business, monthly	\$10.80	(l)
Residence, monthly	7.00	(l)

Talking Call Waiting - Voice activated version of Call Waiting (see Call Waiting in this section.)

Residence, monthly	2.50	(l)
--------------------	------	-----

Voice Messaging Service - Voice Messaging allows a customer to forward, store and retrieve messages that have been forwarded to a predetermined voice mailbox whenever the customer's telephone line is unanswered or busy.

Business, monthly	\$10.80
Residence, monthly	7.61
Business, Establish Service	20.00
Residence, Establish Service	20.00

RATE SCHEDULES

SPECIAL ARRANGEMENTS

1. Individual Case Billing (ICB)

Arrangements will be developed on a case-by-case basis in response to a bona fide special request from a Customer or prospective Customer to develop a competitive bid for a service not generally offered under this tariff. Rates quoted in response to such competitive requests may be different than those specified for such services in this tariff. ICB rates will be offered to the Customer in writing and on a nondiscriminatory basis. ICB will be filed with the Communications Division of the Commission.

2. Special Promotions

From time-to-time without further approval by the Public Utilities Commission, the Company may elect to offer promotional programs which shall waive, for a specified period of time not to exceed six (6) months, in whole or in part: (1) any installation fee; and/or (2) any recurring or non-recurring fees for any services other than local exchange service or intrastate toll service. A promotional program may not waive any surcharge the Company is required to assess by Rule or by Statute. Promotional programs offered under this tariff shall not alter any term or condition of any service except with regard to the rate charged for the service. Descriptions of specific promotional programs, including the effective dates of the promotion and the rates to be charged under the promotion shall be provided to the Commission on or before the offering date of the promotional program. These descriptions shall be kept with the terms and conditions maintained by the Company.
