

## Voice Products – Additional Terms

### CPTR Fee

All Services specified below provided over the networks of the underlying carriers listed are subject to a Carrier Pass-Through Recovery Fee (“CPTR Fee”). The CPTR Fee is a monthly recurring charge applied to each Service to recover the cost increases implemented by underlying carriers. The CPTR Fee is subject to change from time to time.

Underlying Carrier	Services	CPTR Fee
AT&T	Wholesale POTS	\$12.98
Frontier	Wholesale POTS, PBX Trunk, Centrex, ISDN BRI, RCF	\$34.85
Qwest	Wholesale POTS, PBX Trunk, Centrex, ISDN BRI	\$40.25
Verizon	Wholesale POTS, PBX Trunk, Centrex	\$8.00
Ziply	Wholesale POTS	\$42.10
Consolidated	Wholesale POTS, PBX Trunk, Centrex, ISDN BRI	\$18.00

### Local Telecom Fee

The Local Telecom Fee is a percentage fee applicable to all TDM voice products (e.g., POTS, RCF, PRI, BRI) that helps telephone companies recover the costs of maintaining local facilities and partially defrays the cost of telephone service in that locality. This charge is not a tax, but an allowed surcharge at a rate of three percent (3%) of the monthly recurring charges for the service.
